

AGENDA

**Workshop on Guidelines for biological monitoring (Zooplankton and Phytobenthos),
“Improving Environmental Monitoring in the Black Sea” (EMBLAS)
14 July – 17 July, 2014;
Place: Legacy Ottoman Hotel –
Hobyar Mahallesi Hamidiye Caddesi, 16
Sirkeci – 34112 – Istanbul – Turkey**

Day 1 – 14 July

*Arrival and accommodation
Dinner*

Day 2 – 15 July

Morning Session: 09:30 – 12:30

Chair: Borys Aleksandrov (OB-IBSS)

1. Welcome speech. Useful organization information. Brief results of EMBLAS project (V. Kostiuszyn)
2. Introduction of participants
3. The goals of the workshop and main problems to finalization the Guidelines for biological monitoring (B. Aleksandrov, V. Kostiuszyn)

Coffee break (11:00 – 11:30)

1. Brief history and some results of preparation the guidelines for BS biological monitoring (B. Aleksandrov)
2. Macrophytobenthos: approaches, methods and manuals for the BS monitoring (G. Minicheva)
3. Division of participants on five groups (Macrozooplankton, Mesozooplankton; Microzooplankton; Macrophytobenthos; Microphytobenthos) and information about new meeting places

Comments: conveners (Chairmans) of the groups will be identify after final suggestion of the list of participants

12:30 – 14:30 Lunch

Afternoon Session: 14:30 – 18:00

Chair: Borys Aleksandrov (OB-IBSS)

1. Group sessions (Discussion the details of guidelines preparation, recommended key-books for species identification and check-lists)

Coffee break (16:00 – 16:30)

1. Group sessions (continuation)

Dinner: 19:00

Day 3 – 16 July

Morning Session: 09:30 – 13:30

1. Group sessions (continuation)

Coffee break (11:00 – 11:30)

1. Group sessions (continuation and preparation of the final decision for finishing the guidelines)

12:30 – 14:30 Lunch

Afternoon Session: 14:30 – 18:00

Chair: Borys Aleksandrov (OB-IBSS)

1. Report of convener of Macrozooplankton group
2. Report of convener of Mesozooplankton group
3. Report of convener of Microzooplankton group

Coffee break (16:00 – 16:30)

1. Report of convener of Macrophytobenthos group
2. Report of convener of Microphytobenthos group
3. Discussion and elaboration the decision about finalization the preparation the guidelines in nearest future.

Conclusions and closing of the Workshop

Dinner: 19:00

Day 4 – 17 July

Departure of Participants
